

## Product fiche concerning the "COMMISSION DELEGATED REGULATION (EU) No 65/2014"

|                                                                                                              |
|--------------------------------------------------------------------------------------------------------------|
| Trade mark: Gaggenau                                                                                         |
| Model Identifier: AW280190                                                                                   |
| Annual Energy Consumption: 149.5 kWh/annum                                                                   |
| Energy Efficiency class: D                                                                                   |
| Fluid Dynamic Efficiency: 13.6                                                                               |
| Fluid Dynamic Efficiency class: D                                                                            |
| Lighting Efficiency: 18 lux/Watt                                                                             |
| Lighting Efficiency class: C                                                                                 |
| Grease Filtering Efficiency: 94.8 %                                                                          |
| Grease Filtering Efficiency class: B                                                                         |
| Air flow at minimum / maximum speed in normal use: 250.0 m³/h / 430.0 m³/h                                   |
| Air flow at intensive or boost setting: 620 m³/h                                                             |
| Airborne acoustical A-weighted sound power emissions at minimum / maximum speed in normal use: 47 dB / 60 dB |
| Airborne acoustical A-weighted sound power emissions at intensive or boost setting: 69 dB                    |
| Power Consumption in off mode: 0.98 W                                                                        |
| Power Consumption in standby mode: 0.00 W                                                                    |
