

**Product fiche concerning the "COMMISSION DELEGATED REGULATION (EU) No 65/2014"**

|                                                                            |
|----------------------------------------------------------------------------|
| Trade mark: Gaggenau                                                       |
| Model Identifier: EB333411                                                 |
| Energy efficiency index: 94.4                                              |
| Energy Efficiency class: A                                                 |
| Energy consumption per cycle in conventional mode: 1.32 kWh/cycle          |
| Energy consumption per cycle in fan-forced convection mode: 0.86 kWh/cycle |
| Number of cavities: 1                                                      |
| Heat source: Electricity                                                   |
| Volume: 83 l                                                               |
